

# Training-Workshop on the Best Practices in the Teaching of Research: Blending Pedagogical Techniques, Smart Technologies, and Generative AI

September 25-27, 2025

Metrocentre Hotel and Convention, Tagbilaran City,  
Bohol, Philippines

*Blending fundamental principles of scholarly inquiry, technological praxis to digital tool proficiency, and the critical prudence to Generative AI literacy, effective research pedagogy in the modern academic landscape is an amalgamation of time-tested teaching methods, state-of-the-art technologies, and ethical use of Generative AI. By empowering students with a comprehensive and integrative toolkit that includes transformative pedagogy, digital literacy, and ethical AI capability, research teachers can guide them toward producing high-quality research outputs that stands the test of rigorous academic scrutiny and meaningful public engagement. Given the profound transformation of the research landscape driven by digital tools and artificial intelligence, how must the traditional teaching of research adapt to equip students with both foundational methodological knowledge and digital competence to leverage new technologies?*

Attuning and capacitating teachers for research through skills development, the **Asian Society of Teachers for Research Inc.** invites you to the **Training Workshop on Best Practices in the Teaching of Research: Blending Pedagogical Techniques, Smart Technologies, and Generative AI** on **September 25-27, 2025** at the **Metrocentre Hotel and Convention Center, Tagbilaran City, Bohol, Philippines.**

## OBJECTIVES OF THE WEBINAR:
