

# International Webinar on Explanatory Sequential Mixed Methods Research June 4-5, 2026 via ZOOM Teleconferencing

SEC Registration No.  
CN201619200

### **Webinar Objectives:**

- (1) to define the explanatory sequential mixed methods research and understand its strengths and limitations;
- (2) to learn about the explanatory mixed methods research, including the process of data collection, analysis, and integration; and
- (3) to identify appropriate scenarios and research questions suitable for explanatory sequential mixed methods research.
