

Research Proposal Writing for Scopus Publication with AI Application

February 29, 2024 – March 2, 2024

One Central Hotel, Cebu City, Philippines

Join our workshop to learn how to write strong research proposals for Scopus publications. We'll cover key skills like crafting a good literature review, forming clear research questions, and developing the right methodology. You'll get practical tips on meeting Scopus requirements, increasing your chances of having your research recognized in the academic community. Don't miss this opportunity to improve your proposal writing skills and boost the impact of your research on Scopus-indexed journals.

The International Association of Multidisciplinary Research, Inc.
