

TRAINING PROGRAM

Getting Accepted in High-Impact Journals with AI-Assisted Research

October 27-29, 2025

Royal Parc Hotels and Resorts, Tagaytay, Philippines

Speaker: Dr. Genaro V. Japos

Founder

Asean Research Organization

Objectives of the Training Workshop:

1. Identify key characteristics of high-impact journals and the criteria they use to evaluate submissions;
2. Explore how AI can assist in literature review, data analysis, writing, and citation management to strengthen research quality;
3. Recognize the boundaries of AI assistance in scholarly work, including authorship, plagiarism, and transparency; and
4. Learn how to tailor manuscripts for specific journals, respond to reviewer feedback, and use AI to refine revisions effectively.

DAY 1

October 27, 2025

8:30am – 9:00am

Registration
Distribution of Training Kit

9:01am – 9:10am

Invocation & National Anthem
Introduction of the Resource Speaker

9:11am – 12:00nn

Session I: Understanding High-Impact Journals

Explore what defines a high-impact journal, how impact factors work, and what editors look for in submissions.

Session II: AI Tools for Research Productivity

Discover how AI can streamline literature reviews, data analysis, and hypothesis generation.

12:01nn – 1:30pm

LUNCH BREAK

1:31pm – 4:30pm

Session III: Prompt Engineering for Scientific Writing

Learn how to craft precise prompts to get high-quality outputs from AI tools—essential for writing, summarizing, and refining research.

Session IV: AI-Assisted Writing and Editing

Use AI to improve clarity, coherence, and structure in academic manuscripts while maintaining scholarly tone.

4:31pm – 5:00pm

Open Forum/Q and A

DAY 2

October 28, 2025

9:00am – 9:10am

Invocation & National Anthem
Introduction of the Resource Speaker

9:11am – 12:00nn

Session V: Ethical Use of AI in Research

Discuss authorship, plagiarism risks, transparency, and responsible disclosure when using AI in scholarly work.

Session VI: Journal Targeting and Submission Strategy

Learn how to match your research with the right journal, format your manuscript accordingly, and navigate submission portals.

12:01nn – 1:30pm

LUNCH BREAK

1:31pm – 4:30pm

Session VII: Responding to Peer Review with AI Support

Use AI to help interpret reviewer comments, draft responses, and revise manuscripts effectively.

Session VIII: Future Trends in AI and Scholarly Publishing

Explore emerging tools, evolving editorial policies, and how AI is reshaping the academic publishing landscape.

4:31pm – 5:00pm

Closing Ceremonies and awarding of Certificates

DAY 3

October 29, 2025

Departure of Participants/Free Day
