

WHY ORCID?

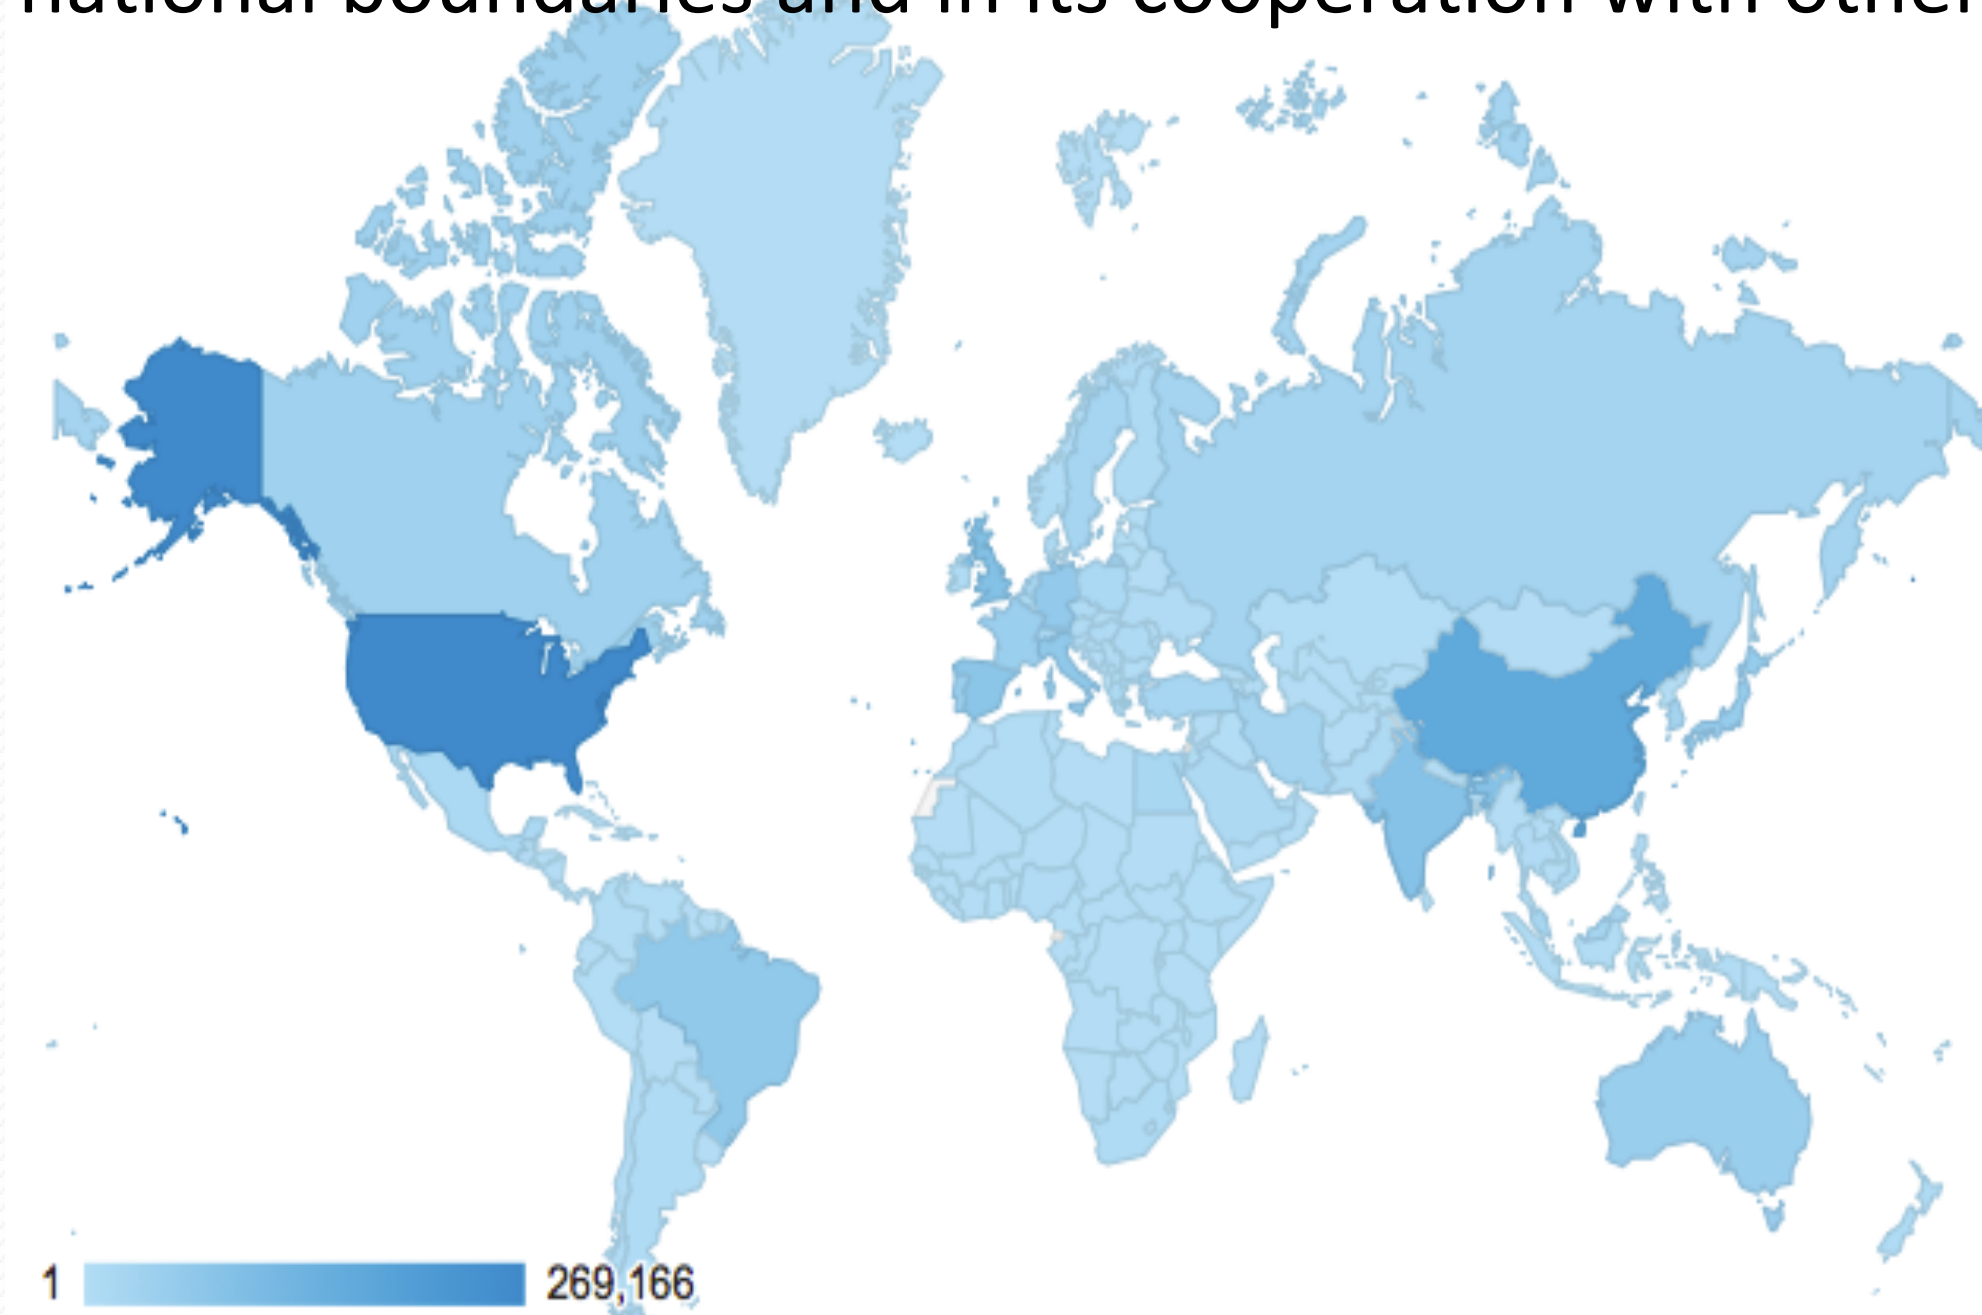

As a researcher or scholar, you want to:

- ✓ **Ensure your work is discoverable** and **connected to you** throughout your career
- ✓ **Minimize the time** you spend entering repetitive data online
- ✓ **Eliminate name ambiguity**, distinguishing you from other researchers and ensuring proper attribution

THE ORCID iD

<http://orcid.org/0000-0002-1825-0097>

ORCID provides you a unique and persistent personal identifier that connects you and your research and scholarly activities throughout your career. ORCID is unique in its ability to reach across disciplines, research sectors and national boundaries and in its cooperation with other identifier systems.

Open, non-profit, community-driven organization

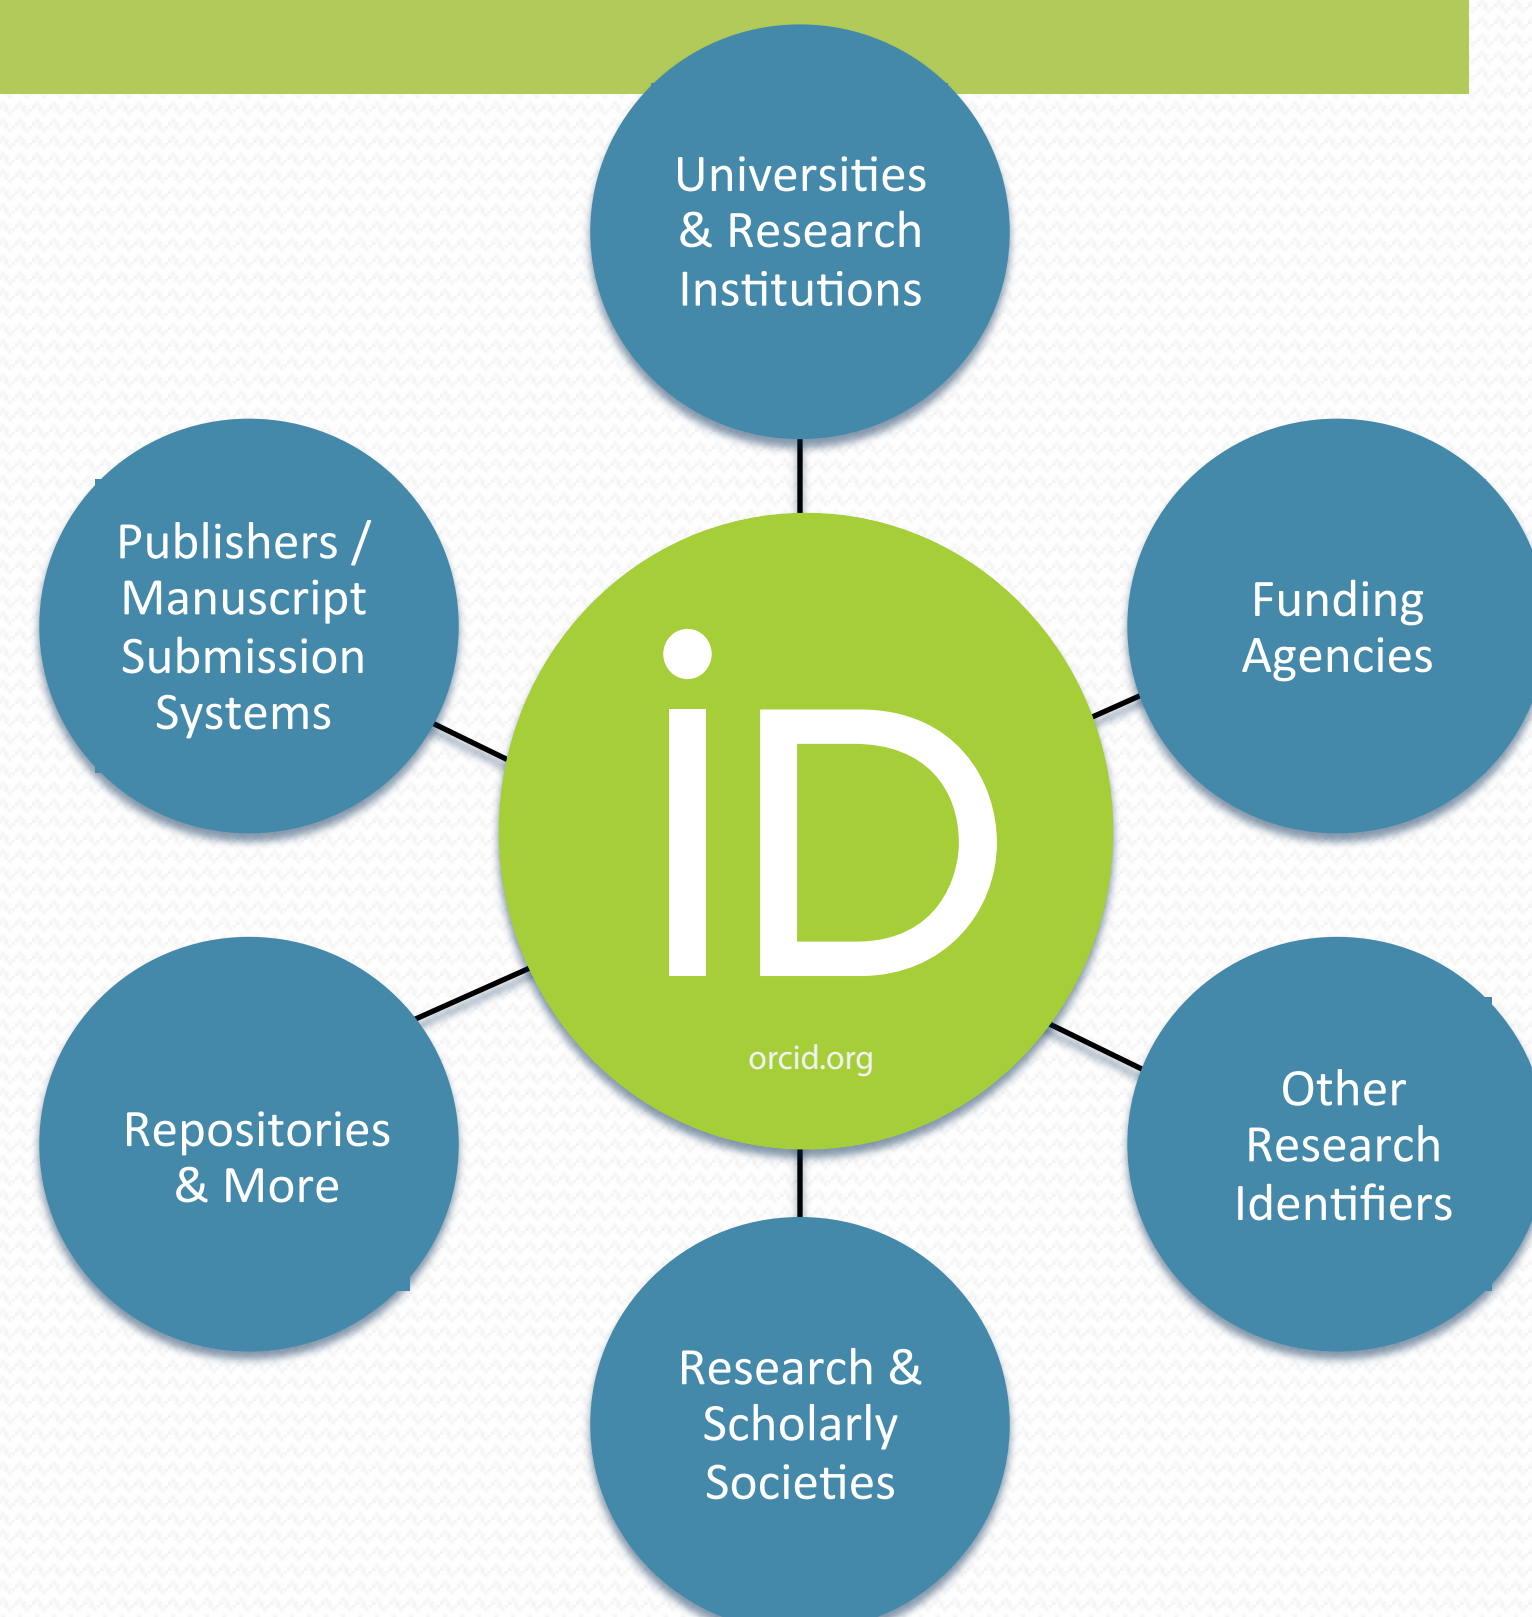

Content provided in multiple languages. Registry supports entry using multiple character sets

More than **420,000 iDs** issued to date

Registry use is **international**

A HUB FOR THE COMMUNITY

- ORCID is a **hub** that connects you and your research and scholarly activities through the embedding of ORCID identifiers in existing workflows, data systems and other identifier systems.
- The ORCID API supports system-to-system communication and authentication, further helping to connect research and researchers around the world.

BENEFITS TO RESEARCHERS

- ORCID **improves discoverability** of your research and scholarly works.
- ORCID iDs **eliminate name ambiguities**, distinguishing you from other researchers and scholars and helping to ensure your work is attributed to you.
- ORCID **reduces repetitive data entry** associated with the increasing number and diversity of research information systems with which you interact.
